Parent portal guide

Your family

Sign in with the demo parent account provided by the school administrator. The selected child controls the records shown across the parent portal.

Academics and attendance

Review your child's assigned class, eight class subjects, weekly lessons and daily attendance. Select Mid-Term or Final Term to view the applicable examination date sheet.

Results

Published results contain the subjects configured for the child's class. The combined marksheet shows Mid-Term and Final Term marks and weighted totals. Pending or unpublished marks remain clearly labelled.

Fees and receipts

The demo records include paid, partially paid, unpaid and overdue invoices. Fee receipts and payment history are linked to the selected child's records.

Documents and updates

Download school documents and read announcements relevant to your child's class. Notifications and read states belong to your parent account.
